M & M Extra Care at Quest Academy

Friday, October 21, 2011

Is an in-service day (no school). We are OPEN!

Please remember that there is no school on Friday, October 21. We will be open for full day extra care for those that need it. How this will affect you is outlined below. If you are normally scheduled for:

After School Students (normally receiving care from 3:15 – 6:00 pm) – We will be providing a structured day of activities and fun from 8:00 – 3:15 for just **\$15 extra.**

All other students – If your child does not normally attend aftercare, and you need care during school hours (8:00 – 3:15), then your charge will be \$15. Add \$10 to that fee if you need care until 6:00 pm.

Before-school students – We will be there to provide care at 6:30 am, for our regular before-school students, **as long as they reserve their spot with the form below. If no one responds for this time slot, we will not open until 8:00 am.**

Because we need to staff and plan our activities accordingly, YOU MUST INDICATE BELOW if your child will be attending on this day. We need a minimum of 6 students to register in order to remain open on this day. Deadline to register is Wednesday, October 19th.

We will announce/post if we do not have enough students on Thursday, October 20th
(If you don't hear from us, then we are still on for care!)

Deadline to register is Wednesday, October 19th.
